

Dear PIL Families,

We are excited to kick off the Fall Sports, with games starting this week. Below are a few reminders for our spectators for this upcoming season.

**No Backpack Policy:** The PPS policy for backpacks in Athletic Events is that at no time are backpacks allowed inside the Facility while attending events on PPS property. All park fields, this rule does not apply. Some school sites will be able to offer a bag check, while others, due to site location and other factors will not. Please be prepared for both options as you travel through league games this year. In the preseason, many other conferences also have this policy and without a bag check option.

**Admission:** We will be charging admission in the following sports across the district. Football, Volleyball, and Boys and Girls Basketball. We will not charge at the lower levels, however, an hour before the varsity contest is when the ticket booth opens.

**PIL Single Game Ticket Prices:**

**Football Ticket Prices:** Adults \$6, Students \$2

**Volleyball Ticket Prices:** Adults \$3, Students \$1

**Soccer:** No Charge

**XC:** No Charge for league meets- offsite invitationals might charge admission

**Athletics Passes:** This year, the PIL is offering Athletics passes to be purchased this fall. These passes are accepted at all League Events. These passes do not get you into preseason games outside the PIL.

**Football Season Pass** \$42

**Volleyball Season Pass** \$25

**Outside Food:** There will not be allowed outside food or drink into our Athletic Contests. Some sites will have concession stands open for food purchases.

**No Re-Entry:** Once a person enters the game, we are not allowing anyone to leave the event and return. This policy is for both students and adults.

**Spectator Conduct:** It is of the utmost importance that we conduct with the highest level of Sportsmanship towards visiting schools, athletes, fans, and officials. The PIL is seeking to provide the best experience possible for everyone that attends our Athletic Contests. What makes these events fun and enriches those participating is when all of us do our part regardless of the outcome. Should any concerns arise, please seek out event workers, administration, or security personnel to help resolve any concerns. We appreciate your support in advance when attending Athletic Events.

Looking forward to seeing you in the stands this year.
