

## **Internship Announcement: Work on the Lincoln High School Rebuild**

Interested in construction and engineering fields? Want to see firsthand how our new school is being built and gain a perspective on how construction and engineering overlap on a major new construction project? If so, apply for the Hoffman Pacificmark LLC Internship!

### **Students will**

- Work onsite from the construction trailers
- Learn from a variety of engineering, construction, and project managers
- Assist on a variety of tasks and projects
- Gain excellent experience, meet professionals in the construction/engineering field
- See firsthand and learn all about our new Lincoln High School building!

### **To Apply:**

- Students age 16+ years are eligible to apply, and adhere to strict safety protocols
- Intern must have some flexible time available in the afternoons 2-3 days a week (note that construction hours are 6:30am-4pm) to be on-site at LHS construction trailers. Specific days and times will be determined with selected intern.
- Email to the attention of Ms. Stephanie Coyle, Project Manager, Hoffman Pacificmark LLC, [Stephanie-coyle@hoffmanpacificmarkllc.com](mailto:Stephanie-coyle@hoffmanpacificmarkllc.com):
  - Your resume
  - A brief cover letter explaining why you are interested in the internship and your tentative weekly availability
- Questions? Contact LHS Career Coordinator, Shannan Fasold ([sfasold@pps.net](mailto:sfasold@pps.net))

**Deadline to submit materials: 4:00PM, Monday, September 28, 2020**

\*students selected to interview will be contacted by 10/2/20, with interviews the week of 10/5
